Viking Safety Video

If you haven't done so already, please take the time to watch the safety video playing on your Stateroom TV. At the end of the video, you will be prompted to acknowledge your understanding of the information.

Thank you for your kind cooperation and should you have any questions, please contact Guest Services at ext. 9710.

General Health Reminder

If you have a fever, feel sick or are experiencing shortness of breath, please call Guest Services immediately. (ext. 9710)

Things to Remember

Guests are required to carry their **Stateroom keycard and Government Issued Photo ID** when proceeding ashore. Please note that local regulations **do not allow food to be taken ashore, bottled water is permitted.**

Ship Announcements

From time to time, non-emergency announcements will be made around the ship. If you would like to hear them while in your stateroom, please turn on your TV to the **"Bridge Camera"** in the **"Live TV"** section and make sure to have the volume turned up.

Health & Hygiene

Public health officials remind us that good hand hygiene is one of the best ways to prevent the spread of illness. Please remember to wash your hands with soap and warm water before eating or after you return to the ship. Please also use the hand sanitizer stations located at the entrances to all our restaurants, and on the gangway. If you are feeling any symptoms of illness or discomfort, please report to the Medical Center immediately.

Booking Shore Excursions

For your ease and comfort please find the below options for booking additional Shore Excursions.

ITV – Interactive Television in your stateroom allows you to book tours with your television remote. Select: Home Screen, Shore Excursions, Optional or Included, Date & Tour Name.

Viking Voyager App – This mobile application allows for you to book tours with your personal cell phone. In the application select: Shore Excursions, Select Date, Select Tour Name.

Visiting Guest Services – You may also book tours in person at Guest Services in the Atrium on Deck 1, Portside. Tour Tickets will be delivered directly to your stateroom. Due to limited last minute booking opportunities, please ensure all changes are made 48 hours prior to arrival in each port.

How to Connect to the Internet

The Viking wireless network requires authentication with a four-digit PIN. To get started, select “*Viking Mars*” on your device. When the log-in page opens, enter your stateroom number, your last name and your birth year, then press “Next”. You will then be prompted to create your four-digit PIN before being connected to complimentary Wi-Fi service.

Internet Access

All our ships offer free Wi-Fi. You may use your personal device or one of the ship’s computers in our Business Center on Deck 1. Our connection relies on a VSAT satellite terminal—the best possible solution for ocean cruising. Due to the nature of data bandwidth and latency, as well as potential interruptions in satellite signals based on terrain and weather, you may experience slower online connections than you are accustomed to at home. In order to ensure fair usage for all, we reserve the right to limit heavy-bandwidth applications, downloads or software upgrades so that all our guests have access to Wi-Fi. We suggest that you limit large uploads/downloads. We would be pleased to help you with your device settings; please visit Guest Services on Deck 1. We hope you will understand that we will do our very best to provide you with an enjoyable online experience, and remember, you will likely be able to access standard Wi-Fi and data roaming services on shore in most towns and cities you visit.

Live Streaming of Star Theater Events

For your convenience, live events in The Star Theater will be streamed directly to your stateroom on *Viking Today Live*. To watch this live stream, please select the “Live TV Channels” box on your stateroom TV and then select the “Viking Today Live” option.

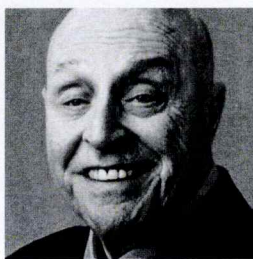

Viking Programming

For your convenience, port talks and lectures are recorded and available on-demand by tuning your stateroom TV to *Viking Enrichment > Port Talks & Lectures*.

Port Map

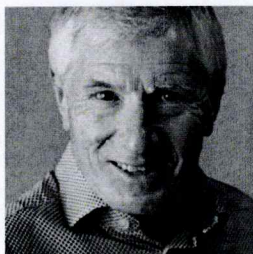

A port map of the ship’s docking location can be viewed digitally on your tablet or smartphone. Please see the back page of the *Viking Daily* and scan the Port Map QR code with your device’s camera.
